Brainerd Memorial Library opened its doors in 1908 and remains a cornerstone of Haddam community and cultural life. In turbulent times, your library is more than ever an oasis, a place to connect with the community and tap into the many resources we offer to visitors of all ages.

It has been a full year since we re-opened our doors for library service after phase one of our renovation, and we're thrilled to see so many friendly faces. Our usage is nearly at pre-pandemic rates, and visitors are commenting on the many new improvements.

But as you might expect, our costs are subject to the same inflationary pressures as everyone else's, so your kind donation is especially appreciated at this time. You can give one time, or spread out over the year -- visit brainerdlibrary.org/support-bml for details.

Those with Individual Retirement Accounts who are required to take annual distributions may find it to their advantage taxwise to make charitable deductions right from the IRA rather than a traditional checking account or credit card.

The Town of Haddam generously appropriates 79 percent of our operating funds, but to help make up the remainder please consider a tax-deductible donation. We truly appreciate it.

Sincerely,

A handwritten signature in black ink that reads "Terry Twigg". The script is cursive and fluid, with the first letters of "Terry" and "Twigg" being capitalized and prominent.
